MUTHAJIR RIYADH

Crafting Flavor with Quality, Care, and Tradition.

Company Introduction

Founded in 2018, Muthajir Riyadh has quickly risen to prominence as a dynamic food manufacturing company based in Riyadh, Saudi Arabia. In just a few years, the company has earned a reputation as a trusted producer of high-quality consumer snacks and confectionery products, catering to households and commercial sectors across local and regional markets. Muthajir Riyadh is driven by a passion for quality, flavor, and innovation, delivering products that resonate with diverse tastes and preferences.

From its inception, Muthajir Riyadh has focused on crafting high-demand food categories, including sugar sweets (candies, caramel, and toffees), popcorn products, bread and pastry flakes, and a variety of packed snacks. The company operates state-of-the-art production facilities equipped with advanced technology to ensure exceptional hygiene, safety, and consistency in every product. By combining modern manufacturing techniques with a deep understanding of consumer needs, Muthajir Riyadh has established itself as a leader in Saudi Arabia's packaged food industry.

As consumer preferences evolve, Muthajir Riyadh remains agile, continuously enhancing its operational capacity, expanding its product portfolio, and adhering to stringent food safety standards and regulatory compliance. With a customer-centric approach and a commitment to excellence, the company is poised for continued growth and success in the competitive food manufacturing sector.

Our Vision

To be a leading and innovative producer of confectionery, snacks, and grain-based products in the region, delivering trusted quality, delightful taste, and sustainable value to households, retailers, and business partners.

Mission Statement

Our mission is to provide consumers with convenient, high-quality snack and confectionery solutions that blend tradition with innovation. Through advanced production standards, rigorous quality control, and an unwavering commitment to customer satisfaction, we aim to be the preferred choice for packaged sweets, popcorn, flakes, and ready-to-enjoy snacks across Saudi Arabia and beyond.

Our Values

Quality Assurance

We implement rigorous food safety and quality measures at every stage of production to meet both local and international standards, ensuring every product is safe, consistent, and reliable.

Customer Satisfaction

We place consumers and partners at the heart of our operations, delivering flavorful, safe, and high-quality products that consistently exceed expectations.

Sustainability

We are dedicated to environmentally responsible practices, optimizing resource usage, and creating long-term value for our stakeholders and the planet.

Integrity

Our business is built on transparency, fairness, and ethical conduct, fostering trust with our clients, suppliers, and employees.

Innovation

We invest in research, product development, and process improvements to introduce exciting new varieties and enhance our existing product lines.

Raw Materials and Product Overview

At Muthajir Riyadh, we prioritize quality from the ground up, using premium ingredients sourced from approved suppliers. Each raw material undergoes thorough inspection and verification to ensure freshness, safety, and compliance before entering our production cycle.

Sugar Sweets (Candies, Caramel, Toffee, etc.)

Our confectionery range is crafted using high-grade sugar, glucose syrups, natural and artificial flavorings, dairy derivatives, and approved food colorings. These ingredients are carefully selected to ensure consistent texture, taste, and shelf stability, delighting consumers of all ages.

Popcorn Manufacturing

Our popcorn products are made from premium corn kernels, high-quality cooking oils, and carefully blended seasonings. Each batch is meticulously processed to achieve optimal expansion, crispness, and flavor, making them ideal for family consumption and commercial distribution.

Packed Snacks

Our diverse snack portfolio includes fried, baked, and extruded products, all packaged under stringent hygiene standards. From savory bites to flavored snack mixes, our products are designed to maintain freshness and appeal through durable, food-grade packaging solutions.

Production Process

Muthajir Riyadh operates a streamlined, technology-driven production workflow that prioritizes efficiency, hygiene, and product consistency. Each product category follows a tailored process while adhering to our overarching quality standards.

Our Quality Assurances

Muthajir Riyadh is committed to delivering safe, high-quality products that inspire trust and loyalty. Our operations align with Saudi Food and Drug Authority (SFDA) regulations and industry best practices, incorporating the following quality management measures:

- Routine quality checks at every stage of production
- Laboratory testing of raw ingredients and finished products
- Strict hygiene control protocols in line with food safety guidelines
- Comprehensive documentation and traceability procedures
- Ongoing staff training on safety, sanitation, and compliance
- Periodic audits to continuously improve quality performance
